Emeralds to Play New Britain
 Pioneers.

The Emeralds of this city will have as their opponents here Friday night the speedy Pioneers of New Britain, the team which took their measure earlier in the season by a score of 23 to 14. The locals were fired out by a strenuous match the previous night, when delays in the schedule kept them from sleep until the early hours, and they are going in Friday to wipe out the memory of the defeat. The Emerald management has brought none but fast teams to this city this season, and the games have been well worth seeing, many coming from Galt and the nearby towns for the games. Higgins and Chappel of the locals appeared in last night's lineup with the local team in its third game with Waterville.

Dr. F. E. Wilcox on First Aid
 The local police authorities have given Dr. F. E. Wilcox a public course in first aid, which was held at the parlors of the association Wednesday evening. These lectures have been very interesting because of the practical hints given. Next week's talk will be by Dr. F. E. Smith on Asphyxiation and Drowning.

I Owe My Life To Peruna
 I will Praise it as long as I live.
 I will not be without It in the Home. It Saves Many Doctor Bills.

Mrs. Selena Tanner, Athens, Ohio, writes: "I was nearly starved when I began to take Peruna. My stomach was so bad with catarrh that I could scarcely eat enough to keep me alive. In two weeks after I began to take the medicine my stomach felt all right. I have been well ever since. That was fifteen years ago. I only wish every one knew how useful Peruna is in the home. Whenever I am taking a cold a few doses will always break it up. Peruna is a good tonic to strengthen any one. Peruna is excellent for old people; also puny child.

CUNARD LINER ORDUNA FLEW A NEUTRAL FLAG

Passengers Assert the U. S. Flag Was Used While Clearing Irish Coast.

New York, Feb. 10.—Officials of the Cunard Steamship company admitted that the steamer Orduna, which arrived in this port from Liverpool today, flew "a neutral flag" for a time while she was clearing the Irish coast. This statement was made after a number of passengers on the British liner had declared that for nearly 24 hours on January 31, she flew the Stars and Stripes while passing through the Irish sea.

These passengers asserted that the American flag was flying aft, indicating the nationality of the vessel. On behalf of the line a denial was made during the day that the Orduna had flown the flag except at the foremost, it being explained that it was customary for all ships to do so.

said that he was under orders from the British admiralty not to talk.

The statement given out today simply referred to a neutral flag having been flown and did not specify the nationality. The statement said: "Orduna left Liverpool flying English flag at stern and United States flag, as customary, at the fore. After leaving Fairlightship all flags were lowered. After leaving Queenstown, for about an hour and a half or two hours, she did fly a neutral flag while she was clearing the Irish coast."

Officials of the line declined to amplify this statement.
